SF30 CONTINUATION SHEET

THE PURPOSE OF THIS AMENDMENT IS TO PROVIDE ADDITIONAL QUESTIONS AND RESPONSES AS FOLLOWS:

Question 1. On page 190 of the solicitation it states that the offeror's proposal must be submitted by Thursday, November 30th. However, November 30th is a Friday so I am wondering whether the proposal must be submitted by 10:00 a.m. EST on Thursday, November 29th, or on Friday, November 30th?

Response: The proposal must be submitted by Monday, December 10, 2007 at 10:00 a.m. EST in accordance with Amendment 001.

Question 2. If the offeror is not subcontracting any of the items on the solicitation is the offeror still required to fill out and submit page 184 with their proposal?

Response: IR 1052-04-001, Instructions To Offerors For Performance Requirements, must be fully executed and submitted by all offerors.

Question 3. In regards to Attachment 3 of this solicitation, specifically the 1194.23 Telecommunications Products compliance sheet I notice that there is no "k", but rather that the last box on that sheet is "j". However, Attachment 1 specifically requests that certain products be compliant with "k" on the 1194.23 Telecommunications Products compliance sheet found in attachment 3. Was "k" left off of 1194.23 for a reason or was this a written mistake?

Response: Under Section 1194.23, standards 'k' and 'j' were transposed and 'j' was inadvertently omitted. The document has been corrected and is attached.
